

Here's What Our Clients Are Saying:

We wanted to thank you for giving us a night we will never forget. You are so talented, so much fun, and so kind thank you. Everyone had such a wonderful night, it couldn't have happened without you.

Vinny and Kim

I just wanted to let you know that everyone really enjoyed the Deltas Ball on February 17th.

They all raved about how wonderful the band was. We loved the band! your true selves were reviled through your music. We would consider it an honor if you would play for us again next year.

Carolyn Buford

The group was just fabulous; all of our friends and family could not stop raving about how good the band was. Even the neighbors to the clubhouse, not at the wedding were calling to know who the band was. Your music had members of my family out dancing for the first time in decades. You were easy to work with, and all of us here in St. Simon would gladly use you again.

Dana Aspinwall and Gregory Plog

It's simple. It's all in the sound and the beat. It sets tone; it sets the pace; it either rocks or it sinks. Your Band is at the top!! Please convey our thanks to colleagues-all of whom did a fantastic job to make our daughter Louisa's wedding such a great success. You never let up. Your sound was awesome! thank again to you, and the Band for such a great job and such a great memory.

Debbie and Bill Liss

You were incredible! Our wedding was so much fun, mostly due to you! I have never been to a wedding where people were so packed on the dance floor having such a great time! Everyone is raving about you, saying they've never had so much fun! People can't get over how good you are, nobody wanted to leave! You were great! We really appreciate you being there. A friend recommended you to us, and we will definitely recommend you to others. Thank you so much for making our wedding so much fun!

Taylor and Leslie Kinnett

Thank you, all so very much for the wonderful music and songs you provider at the party.

Everyone commented to us what a great time they had at the wedding and we attribute that to you getting the guests out of their chair and on the dance floor. By the time the evening was over, everyone certainly had an aerobic workout. Thanks again for a rocking evening!

The Davis and Beilstein wedding reception held at the Ansley Golf Club on June 17th was a total success, because of Flavor fabulous music spirit of entertainment. Yes we did choose you over other band, because we wanted not only great music, but also a band that would make the event, by including the audience to participate, and you certainly got all the folks on the dance floor, we thank you for being a part of our special day.
